

## Information

The Community Services team provides an information outreach service at our Wellbeing Centres, local hospitals and statutory service settings.

The information officer is also available, at our Bridgend office, to answer enquiries from people with mental health issues and their families and friends as well as from health professionals.

### The Information officer provides information on:

- Mental and emotional health issues.
- National and local mental health services.
- Other statutory and voluntary services available nationally and locally.
- Directories of mental and emotional health related services for adults.
- Available training on mental health and emotional wellbeing.
- Telephone help lines.

## Community Services

# Tenancy Support & Information

The Community Services team provides local services for local communities.

The services offer support and activities for people with mental or emotional wellbeing issues.

January 2014

## Tenancy Support Service

Mental Health Matters Wales provides a tenancy support service to help people with mental health issues maintain their tenancy or access appropriate housing.

### The tenancy support service offers:

- Help with budgeting.
- Assistance on general housing issues, such as housing repairs, which are the landlord's responsibility.
- Support if you are threatened with eviction.
- Information about other services.

### How to access the tenancy support service:

- There is a referral process for this service.
- For further information contact a community service worker.
